## OVERVIEW

Sauron 3CCT round LED downlighter for residential and commercial applications.

## APPLICATIONS

RESIDENTIAL

COMMERCIAL

RETAIL

## PHYSICAL

|                 |                              |
|-----------------|------------------------------|
| Dimensions (mm) | Ø110 x 70mm (Ø95-100 cutout) |
| Weight          | 450g                         |
| Housing         | Aluminium                    |
| Mounting        | Recessed                     |

## COMPLIANCE

|                |                         |
|----------------|-------------------------|
| Certifications | CE, RoHS, IEC60598, ErP |
| Class Rating   | Class I                 |
| Warranty       | 5 Years                 |

## PRODUCT INFORMATION

|                    |                                 |
|--------------------|---------------------------------|
| Lumen Output       | <a href="#">See table below</a> |
| Lumen Efficacy     | 120 lm/W                        |
| Colour Temperature | 3000K/4000K/6000K               |
| CRI                | >80                             |
| Beam Angle         | 45°                             |
| UGR                | <19                             |
| IP Rating          | IP44                            |
| Operating Temp     | -15°C to 45°C                   |
| Lifespan           | L80B10 @ 50 000 hrs             |
| Luminaire Colour   | White / Black                   |

## ELECTRICAL

|                  |                                 |
|------------------|---------------------------------|
| Wattage          | <a href="#">See table below</a> |
| Input Voltage    | 200-277V AC                     |
| Frequency        | 50-60Hz                         |
| Power Factor     | >0.95                           |
| Surge Protection | 3kV                             |
| Dimmable         | Optional (dim driver)           |
| Flicker          | Flicker-free                    |

| Power | Lumens (lm) |
|-------|-------------|
| 16W   | 1920        |
| 18W   | 2160        |
| 20W   | 2400        |
| 25W   | 3000        |
