• E & O.E (Errors And Omissions Excepted)
 • Due to the rapid development in LED technology the performance values, power consumption and lumen output levels stated above are subject to change without prior notice.
 • Due to the interoperability of LED modules and drivers, up to a 10% deviation in these values is possible.
 • Nominal flux values are stated at 25° C, based on LED manufacturer's data.
 • Installation environmental conditions may impact the performance and efficiency of the luminaire.
